

Several cases of pneumonia related to the novel coronavirus (COVID-19) have been reported in Japan.

Our facility will be implementing the following measures in response.

- Seat spacing is secured to keep the distance between riders.
- We have installed a glass partition between our customers and employees.
- We may limit the number of customers for entry.
- Considering both customers' and staff's health, the staff will be wearing masks as a precautionary measure.
- We wash and disinfect hands.
- We are checking both customers' and employee's temperature.
- We are promoting proper sanitation within the facility.
- Windows and doors are open for ventilation.
- We are using the tray to avoid contact of hands and recommending non-cash payment.
- We are providing information on the status of the infection.
